

The Educational Program for Dementia Experts in Hokuriku(NINPRO)- The 36th Annual Meeting of the Japan Society for Dementia Research (JSDR 2017) Joint International Symposium

Alzheimer's Disease : Phenotypic Variability and its Molecular Backgrounds

9:40 a.m~11:40 a.m, November 26 (Sun), 2017

Venue: Koryu Hall, Ishikawa Ongakudo, Kanazawa, Japan
(URL: ongakudo.jp/e_home)

URL:ninpro.jp/

Free to join / Application unnecessary

Introduction of the NINPRO and the International Symposium

Masahito Yamada (NINPRO Project Leader, Kanazawa University, Japan)

Lectures

Clinical and neuroimaging variability in Alzheimer's disease

Rik Ossenkoppele (VU University Medical Center, the Netherlands)

Neuropathological variations in Alzheimer's disease

Shigeo Murayama (Tokyo Metropolitan Institute of Gerontology, Japan)

Molecular backgrounds of phenotypic variability in Alzheimer's disease : insights from prion diseases

Jiri G. Safar (Case Western Reserve University, USA)

Under the auspices of :

The 36th Annual Meeting of
the Japan Society for Dementia Research (JSDR 2017)*.

*JSDR 2017 is held on November 24 to 26
at the Ishikawa Ongakudo
and the ANA Crowne Plaza Kanazawa.

URL:jsdr36.jp

Host: Kanazawa University

Sponsor: The Educational Program for Dementia Experts in Hokuriku (NINPRO) funded by the Ministry of Education, Culture, Sports, Science, and Technology of Japan (MEXT)

Under the auspices of: The 36th Annual Meeting of the Japan Society for Dementia Research(JSDR 2017), Ishikawa Prefecture, City of Kanazawa, Ishikawa Medical Association, Kanazawa Medical Association, Hokuriku Life Science Cluster, HOKKOKU SHIMBUN
